

BACHELOR OF COMMERCE (BCOE)

Introduction

The Faculty of Economics & Management offers a Bachelor of Commerce degree (Day & Evening) with an opportunity for one to specialize in any of the following areas; Accounting, Marketing, Finance and Banking, Human Resource Management, Purchasing & Supplies Management and Public Sector Management; with a blend of practical-oriented skills.

The B. COM program provides the required background for professional development in the area of accounting through professional courses such as Chartered Institute of Management Accounts (CIMA), Association of Chartered Certified Accountants (ACCA) etc, with a blend of both public sector and private sector skills.

Graduation Programme Load

A student should have accumulated the minimum of 108 credit hours to qualify for the award of the Degree of Bachelor of Commerce. The composition shall include both Core and Elective Courses.
